

# CALENDAR FOR AUCTIONS UNDER THE GRP FOR PRODUCTS WITH A DELIVERY TERM IN 2023

Dear partners,

Pursuant to Art. 11 of the Agreement for implementation of the Gas Release Program, for each year after 2020, following consultation with the public provider, Balkan Gas Hub EAD shall fix and publish on its website both, the auction calendar, as well as the maximum and minimum quantities that can be purchased by one participant, no later than one month before holding the first auction.

In this regard, we offer to your attention an agreed auction calendar, as follows:

- **12.12.2022**- yearly product auction in the amount of 4 360 000 MWh, which is 50% of the total quantity offered for 2023 and auction for twelve monthly products in order to ensure security of supply in the Republic of Bulgaria, allocated as follows:

Month	*Quantity, MWh/month
Jan -23	363 333
Feb -23	363 333
Mar -23	363 333
Apr -23	363 333
May -23	363 333
Jun -23	363 333
Jul -23	363 333
Aug -23	363 337
Sep -23	363 333
Oct -23	363 333
Nov -23	363 333
Dec -23	363 333
<b>Total</b>	<b>4 360 000</b>

*\*The amount of the quantities for the monthly products is being defined by the public supplier*

- **14.12.2022** - yearly product auction in the amount of the not purchased quantities of the yearly product offered at the previous auction and auction for twelve monthly products in the amount of the not purchased monthly products offered at the auction on 12.12.2022, in order to ensure the security of supply in the Republic of Bulgaria;

- **16.12.2022** - yearly product auction in the amount of the not purchased quantities of the yearly product offered at the auction on 14.12.2022 and auction for twelve monthly products in the amount of the not purchased quantities of the monthly products offered at the previous auction;

- **19.12.2022** - twelve monthly products in the amount of the not purchased quantities offered in the auction on 16.12.2022;

- **Every second Monday of the month** preceding the month of physical delivery - an auction for the quantities not purchased in the previous auction, offered as monthly products with flat delivery.

We would also like to inform you that the agreed maximum amount that can be purchased by one participant and his related persons is up to 25% of the total quantity for 2023, and the agreed minimum participation amount is 24 MWh for each day of the delivery period for each respective product.
